

# Counter Top Warranty

## **Announcing the Miracle Sealants 511 Counter Top Protection Plan**

### **The Plan – What it Covers**

The Miracle Sealants 511 Counter Top Protection Plan enhances the benefits of products that have been successfully used on more than 20 billion square feet of natural stone and tile surfaces worldwide for more than 25 years. The 511 Protection Plan covers most polished granite countertops.

The 511 Counter Top Protection Plan warrants against staining from common household food and beverage items including Coffee, Tea, Red Wine, Mustard, Ketchup and Cooking Oil for up to 20 years. Peace of mind has never been so close.

### **The Sealers**

The professional's choice of premium grade high performance sealers/impregnators in the tile and stone industry for more than 25 years. Names you have come to trust, 511 Porous Plus, 511 Seal & Enhance and 511 H2O+ have long satisfied the needs of the tile and stone industry. These products protect the surface from stains and water penetration and now they come backed with the 511 Counter Top Protection Plan! Miracle Sealants Company is the only company to offer a protection plan on 3 sealers/impregnators – 511 Porous Plus, 511 Seal & Enhance and 511 H2O+ offering the customer a choice of professional protection products to fit their individual needs.

### **The Warranty**

Miracle Sealants Company warrants to the Original Purchaser of polished granite counter tops, when treated with one of the three 511 sealer product offerings, the surface will be resistant to stains caused by common food and beverages for a period of 20 years from the date of completed installation when maintained with recommended Miracle Sealants maintenance products.
